amber & red maggie

It's very difficult to stay loyal in today's world. There are so many temptations out there that a girl just has to be careful. And I wasn't. I lost control one night and ended up sleeping with a girl. That made me feel really bad. But when I told my husband, he was very adult about it. But he said that I had to be reprimanded by getting him and me another woman to fuck us both. I said that wasn't much of a punishment. He said that we'd have to do it again and again until it was. So Red Maggie and me started practicing without him, just to be sure she was the one.

love thy neighbor

It was a perfect Saturday for washing my car. It was August, but instead of the 100+-degree weather we usually have in midsummer, it was in the mid-80s. Perfect.

My boyfriend, Tom, was engrossed as usual on his computer, playing a new game. He grudgingly took just enough time away from it to drag the hose around to the front of the house for me. I was wearing my tight shorts and a tight tank top, exposing the tanned tops of my full breasts. I thought I could entice Tom away from his computer, but no. He offered no help in washing the car and was quickly back at his shoot-'em-up game, which was apparently more intriguing than I was.

As I soaped down the sedan, I heard the neighbor's garage door open. I thought nothing of it until I noticed no one was backing a car out. Adjusting my sunglasses, I glanced over and caught the neighbor gal ducking back inside. Was she watching me?

I caught her a few more times out of the corner of my eye, peeking and ducking back in. Hmmmmm, I knew she was a lesbian, but why she was looking at me?

I have to say, she was arousing my pussy with her actions. I'd been with a couple of women in the last 10 years, so my reaction was no surprise, but I wondered what her intentions were. I leaned over to scrub a tire, my ass in her direction, parting my legs a bit, hoping she'd get a good view of the damp spot starting to form between them. Mmmmmm, I was getting aroused.

Being the confrontational person that I am, I finally dropped my sponge in the bucket and headed over to her. "Hi there. What's up with you?" I asked in a none-too-friendly tone.

She smiled sexily and said, "Just enjoying the view. I didn't mean to offend…."

"Well, you didn't. I just wondered what was going on, that's all." I'd seen her many times but never this close up. She was butch, with decidedly "handsome" features.

"I've noticed you for quite a while, and I have to say I'm attracted to you. You do know I'm lesbian? I'm just feeling a bit bold today that's all. Playful."

"Sure I know you're lesbian…but…well, what happened to your…uh…roommate? The blonde?" I hadn't noticed her for several weeks.

"Moved out." She kept staring at my tits and down to the crotch of my tight shorts, where my pussy was outlined and the wet spot spreading. I was getting very aroused just being near her. She was a turn-on, especially with her muscular arms. She looked to be about my age, late thirties.

"I need to get back…." I said lamely, tossing my long auburn hair back over my shoulder.

"Say, why don't you slip out about midnight tonight? I'll be out here looking at the stars with my new tele-

scope. Maybe you can see a few stars yourself." She smiled knowingly, and I felt my pussy clench tightly.

To my surprise, I replied, "I might just do that. I gotta run." I walked back to the car, swinging my hips sexily and gave her a quick glance back. She waved and ran a hand through her short brown hair.

I finished up my car with a throbbing pussy. The tight seam of my shorts was nearly getting me off! By the time I got done with the car, I'd had several fantasies as to how tonight might end up.

After drying off the car, I drove it back into the garage. Tom was still playing the game and was unaware of my horniness. I went right to the shower to clean up, and as I stood under the water, I fingered myself, thinking of how I was going to get through the rest of the day.

By midnight, Tom had been snoring for about an hour. I slipped quietly out from under the covers and got into the sleeveless summer dress I had laid out. I wore nothing underneath. Closing the bedroom door gently, I made my way to the side door, slipping into my platform sandals along the way.

As I went out through the side gate toward the front of the house, I saw that my neighbor's garage door was open. I could see the red glow of a cigarette as she took a drag. "Hey," I said softly as I walked quietly up to her.

"So you made it, I see." She stubbed out the cigarette in a nearby ashtray. "Come here and see this." She stepped aside and let me look at the constellation above. I felt her warmth as she stood directly behind me, barely inches away.

I felt her gently press against my ass. My throat became tight, and it was hard to breathe. My pussy was starting to swell and juice up again, as it had been doing off and on all day. She began to raise my long skirt with one hand; her other hand gently caressed my inner thigh. I tried not to let out a moan, but it escaped anyway. Parting my legs, I pushed out my ass to greet her exploring fingers.

"Mmmmmm, you came prepared. No panties," she whispered, and her hand slid over my creamy ass, pinching and squeezing my globes. I felt my pussy puff out even more as I started to rock my hips back and forth. Her fingers tripped lower until she grazed over my wet nether lips. I caught my breath as she dipped her middle finger inside my clasping hole, then removed it, slick with my juice. She ran the finger gently up and down my widening cleft, now and then dipping back into the cauldron of heat and wetness.

I could barely stand. I needed to lie down and spread my thighs wide for her. I held onto the telescope for support, with my ass still poking out. Her fingers were going to get me off as she circled my aching clit, rubbing back and forth, then dipping back into my hole, which by now was gushing fluid uncontrollably.

"I'm going to come," I hissed through clenched teeth. "I don't want to. Not yet!"

"This won't be the last one for tonight. Let it come," she replied.

"Ohhhh, yesssss," I moaned as I thrust my hips back and forth while she fingered me from behind. My pussy was slick, with liquid flowing freely. Suddenly the exquisite sensation slammed through me, taking my breath away. I gripped the scope so as not to fall down and bent my knees, rocking back and forth on her finger, eking out every ounce of pleasure.

I bit my wrist in order not to scream out as the or-

gasm shook me. "Oh, oh, yes, that was good…so good," I murmured.

"Now we have to go into the house. We aren't done yet, Missy."

Slowly I turned my head toward her in the dark. "Did I tell you my name? I didn't think I did—"

"You didn't. I know a lot about you, honey. I'm Janice, by the way. Come on." She gripped my arm, and we headed into the house, I on shaky legs. She poured us each a drink, and I followed her into her bedroom. I glanced over at the window that faced my bedroom and wondered how Tom was sleeping. If he only knew where I was! I started to giggle.

Janice started unbuttoning the front of my summer dress. In a few moments she had me naked before her, caressing my heaving tits and trailing her fingers down my flat belly to my bushy mound. She circled my clit, feeling the slickness from my recent climax.

"Oh, that feels nice, " I whispered. "I think I could come again."

"You can. Lie down." Janice gently pushed me in the direction of her bed, and I lay down on my back.

"Since Wendy left, I've had my eye on you. Hope you don't mind."

"Funny, but I don't!" I smiled. "I've had a few other girls, although it's been quite a while. You don't upset me at all."

"Good." She lowered her lips to my left nipple and sucked hard. Half my tit seemed to disappear into her mouth. While she sucked like a vacuum, her fingers went exploring. I spread my thighs wide, pulling them back to expose myself fully.

Her fingers tickled over my swollen lips, back and forth, gently teasing until I squirmed in delicious agony. "Oooo, get me off again," I said lustily. Tom had never made me feel like this. How could I get Janice to become my lover?

She cupped my mound and rocked her hand back and forth, pressing hard, then softly. My clit was near to bursting! Then she scooted down, and I knew what was coming next. Janice lashed out her tongue and tasted my juices on my inner thighs. She licked me like a cat cleans her kitten. I thrust up my hips as she got closer and closer to my quivering pussy.

Then she pried my lower lips wide apart, making my clit stand up like a little Jujube. She poked her tongue out and lashed at it a couple of times, making me jump. She licked my pussy up one side and down the other, digging in every nook and cranny. Every nerve seemed exposed as she explored. I was lost in the sensations.

Inserting one finger into my hot hole, she massaged until the juices once again flowed like water. I'd never been made love to, paid attention to, so completely. Then Janice reached over to the nightstand and opened the drawer, pulling out a flesh-colored vibrator about seven inches long. I writhed on the bed, spreading my thighs farther in anticipation.

I wanted her to ram it home, but instead she ran the plastic flesh up and down my dripping slit, poking the head of it in and out, only about an inch or so, right at the entrance. She repeated this delightful action over and over until I was almost wild. Then she switched on the little red button, causing it to vibrate noisily.

"Fuck me," I said harshly.

"In a minute. Don't be in such a hurry. I'm not a man, you know," she laughed lightly. "I like to make you

beg for it."

While she continued to fuck me tenderly with the mercilessly quivering machine, she started sucking on my clit-bud again. Oh, this was too much! I tried to stifle my screams but couldn't! I thought of Tom asleep next door and hoped he couldn't hear me! "Yes! Yes! Oh, oh!" I rode the vibrator trying to match her strokes as she plunged it deeper and deeper into my hot depths, twisting it as she thrust, massaging my G-spot. That and her sucking my nubbin, were just too overwhelming!

I suddenly came, shuddering from head to toe. Agonizing, intense gratification coursed through me, leaving me trembling and weak. My thighs stayed wide open, and I jerked my hips in lusty spasms, still taking in that plastic dick. My clit was so aroused and erect it was generating enough high voltage to light up Janice's whole house.

Janice was smiling, wiping light sweat from her brow. She still held the vibrator in place inside me, not wanting to remove it just yet. I propped myself up on my elbows, and we both watched as I pushed the vibrator out of my clenched pussy. It slid out with a juicy plop. We both grinned.

I flopped back and let out a sigh of satisfaction I hadn't felt in months. Janice lay down beside me and caressed my tits, tweaking gently on the hard brown nipples. "I need to please you now or it's not fair," I said, looking into her brown eyes. "I feel completely fucked!"

"Good! Come on." She got up and pulled me along with her. My legs were trembling and wonderfully feeble, but I made it to the bathroom. We got into the bathtub, and she sat behind me, with her thighs around me. Soaping up a bath sponge, she started washing my back as I held up my hair. I closed my eyes and lingered in the moment. That felt wonderful.

"Did you do this with Wendy a lot?" I asked as she circled my back lazily, then crossed over my shoulders to the tops of my tits and back again.

"Of course. Guys don't think of the little things girls love. Most guys, anyway." She squeezed the sponge, releasing hot, soapy water down my back. Ahhhhhh, I loved it. I reached back and tried to caress her pussy. She slapped my hand. "Uh-uh. Behave," she teased me.

She washed me all over; then we got out and dried each other off. As I dried her body, I lingered on her pussy-lips, which looked swollen. Her clit was poking out. I dabbed at it a few times, then thought, I'd better get it while it's there. I dropped to my knees and flicked the little bud with my tongue.

She didn't stop me this time. She moaned as I really started to get into it. I gripped her ass and pulled her forward into my mouth as I worked on her clit. In a few minutes, she started to shudder. Short, deep moans escaped her. Then she gently pushed my head away. "That was great."

I tiptoed back into my house and made it back to bed. Slipping in under the covers, I lay there reeking of great sex and bubble bath. Tom snorted a couple of times and resettled into his pillow. One more snort, then he was still. I lay there, reliving my incredible experience with Janice. My pussy was so relaxed and satisfied. Sticky too. I nearly giggled as I felt my loose lower lips. How could I be sticky again!!!! I'd just had a bath!

What was I going to do? See her again? How could I not! "Love thy neighbor" had never applied to me before, but I could see it did now! I made my decision and rolled over to fall instantly into a deep sleep.

she only cums out at night

During my college years, I was known as a party girl. I was a big hit at all the sorority and fraternity parties on campus. But this was all done while maintaining a 3.8 GPA. My favorite subject is fellatio. I like to give it nice and slow. Not like these girls that try to make you cum in twenty seconds. Draw it out, I say. Make him feel good for a while before you let him fuck you. That's always been my sexual mantra!

GIRL NEXT DOOR

Nikki

My most exciting sexual experience was last year in the middle of the winter; in the middle of Massachusetts; in the middle of a van. I was with this guy and we got snowed in for the night. We used the car's heater as long as we could, but then had to share our body heat the rest of the night. We were spooning in the middle of his van and I reached behind for his cock. I warmed it up and pulled my pants down and guided it into my butt hole. That warmed us both all night long.

Estrella

Okay, so my marriage barely lasted over a year. Momma told me this was the wrong guy and I shoulda listened to her. This photo shoot is the first one I've done since we split up. I initially found solace in my girlfriends' arms and pussies because I was a man-hater. But I've calmed down and am starting to like men again. Before I start dating again, this was a chance to have sex, and no commitment afterwards.

Camilla

I just moved to a new neighborhood, and I hear the gossip about me being a hottie. Mostly, it's my younger brother's friends and now some of the wives are saying it, too. I take that as a compliment, but I try not to flaunt it too much. Until the other day, that is. I have one hot neighbor that I'm going to invite in.

BLAIR-NTS-09

let's all play truth or dare

My story growing up, is like many young men. My birth dad left my mom before I was born. My birth mother put me up for adoption at six months old, and then moved out of town to be with another loser. Fortunately for me I was adopted by a wonderful lady named Cara. She had her own daughter, Bailey, who was a couple years older than me. Other than my birth parents, I, thankfully, grew up relatively normal. Cara told me early on that I was adopted, and that was okay with me. Through high school, my life was pretty normal and grew up with a good group of kids and, of course my family.

Both Bailey and I went to a local community college so we could still live at home and help mom out as much as we could. In school and out, Bailey and I always hung together, because I wasn't the annoying brother most siblings are. She invited me everywhere with her and all her friends loved me. Bailey's posse were the kids every guy at school drooled over, and all the guys hailed me as a king when I was caught with Bailey's friends. They were all hot and a lot of fun.

During Spring Break our junior year in college, Bailey invited some of her best friends to the house for a sleep over. She got Cara to okay it because she would be gone for the week. As eight o'clock rolled around I began hearing the doorbell ring. Even though I was upstairs, I could still hear the bell because it was located on the wall at the top of the stairs. The sound of the front door repeatedly opening as Bailey's friend's entered the house and I was able to match a voice to the friendt: Estelle and Leslie, then Judy.

And lastly I heard Diane, Bailey's best friend. She had long, luscious jet black hair that fell just below her shoulders, and dark eyes that melted one's very soul. After a half hour I heard someone ask Bailey where I was. Getting up, I opened my door on cue as Bailey hollered "Hey Flip, (my real name is Phillip but Bailey called me Flip, and I called her Bailey), get your butt down here!" I stumbled down the stairs, greeted the girls and hugged all of them before settng myself down next to Diane, who squeezed me affectionately. I joined in the conversation as we talked about school, the town, other kids, and of course, the guys they liked.

The small talk wound down and it seemed like the girls were struggling for some more to talk about. Suddenly Leslie suggested we play Truth or Dare. "I don't want to?" I whined. "Come on, it's fun!" said Bailey. "Okay, but I'm playing under protest!" I said

in jest. Bailey went to the kitchen and found and empty soda bottle and brought it out to the living room. The first spin did its thing as it pointed at Judy.

"I'll take truth?" said Judy after the title question was asked. Bailey was first asking if she really gave Charlie B. a hand job after physics class. Judy made a face as she answered. "The freshman? No way. That's nasty!" and we all laughed with good cheer. Our rules stated that as the game went on, the questions or dares had to get progressively nasty. In the last few rounds, the girls exposed their indiscretions and their foolings around. Fortunately the bottle had not yet pointed to me so I had a free pass so far.

Now it was Leslie's turn and I had a feeling something unusual was coming. She spun and that damned bottle pointed at me. Leslie put her hand under her chin as if she was thinking of something diabolical. I squeezed my butt cheeks in anticipation of her dare. " I dare you to kiss Diane on the cheek!" knowing very well my crush on her.

I looked at Diane and she turned her head as I placed my lips gently upon her sweet, rosy cheeks. In unison they all went "Awwww." I blushed and retook my seat. Then the bottle then turned to Estelle in the next play. "Okay," Judy thought a wicked dare, "I dare you to take Phillip into the other room and make out with him for five minutes." My face turned red and I looked at Bailey to rescue me, but she just shrugged and egged me on. Estelle got up and I followed her into the spare bedroom. We entered the dark room, I flicked on the switch, and Estelle closed the door behind us. Strangely, I never noticed how pretty Estelle was until now. She had long, flowing brown hair and sgreat eyes. She sat on the only thing in the room, the bed. "Do you really want to kiss me?" I asked. "I'm okay with it" she replied.

I turned my head and started to lean in as she did the same, and eventually my lips met hers and we shared a long kiss. After we broke it we laughed and talked to fill out the time. "Time's up!" We heard Judy say as she pushed the door open and saw us on the bed. We walked back into the room and joined the rest of the party. Their game mercifully ended and we called it a night.

It was after midnight and I had the munchies so I headed down to the kitchen for some of the pie mom had made before she left. On my way to the kitchen, I heard giggles coming from the living room. I peeked my head in and my jaw dropped at what I saw. Diane was sprawled out on the couch her legs were spread wide while Leslie had her head in between them. Diane moaned softly, and I couldn't help but feel my dick pressing against my pants with increasing hardness.

Going back upstairs, I walked down the hall until I reached my door. As I went to turn the handle, I felt a hand grab my arm and another around my mouth. Diane softly whispered into my ear, "I know you saw wha me and Leslie were doing, so we decided in order to keep you quiet, we'd make it your dirty secret too." I opened the door and heard Leslie close it behind her as the three of us walked into my room.

Diane pushed me onto my bed and jumped on top of me with lustful hunger. She pressed her delicious lips against mine, and

we started swapping spit. I found myself face-to-face with Diane's massive boobs, which were covered in a hot pink bra. I reached behind her and unclipped her bra, and she did nothing to stop it from dropping. She had puffy, brownnipples of perfect size and shape, and I couldn't help but place my mouth on one of her hard nipples.

She moaned with pleasure as my increasing erection pressed against her round butt. She said as she pushed me back once again and went down on me. She unzipped my pants and pulled them down, and my cock slapped against her face. We couldn't help but laugh, but before I knew it, she was stroking my hard on with both her hands.

"I never knew it'd be this big, Phillip. I've never seen a cock so large!" She exclaimed with pure sexual excitement. She placed her lips on the head, before opening her mouth and putting it in her mouth. I moaned softly with pleasure as her saliva enveloped my dick, as she started sucking, she continued to stroke vigorously with both hands. She did this for a good amount of time before she couldn't handle it anymore, and while she licked my cock, she took off her panties and placed them on the ground.

"I've never actually had a cock so big in me, so please go gentle" She whispered to me as she squatted over me and guided my dick with one hand into her love box. She gasped with pleasure as shock traveled through her body. Her insides were unbelievably wet and tight, squeezing my dick with every bounce she took. After a while, she twisted around in a reverse cowgirl and bounced on my cock some more, her perfectly round, firm ass playing in front of me, I couldn't help but playfully slap it.

I picked her up and placed her in front of my dresser. Instinctively, she bent over and placed her hands on the dresser as I inserted it from behind and began to thrust gradually harder and faster. In between thrusts, I reached in front and started playing with her jiggling boobs, playing with her hard nipples. She started to orgasm and I increased the speed of my thrusts and took her over the edge. She wilted in my arms and so I turned her around and she dropped to her knees and started blowing me like crazy.

I treated her mouth like her pussy and tried to ram it in, but I was too big for her to take it all in. I grabbed my cock and held it against my stomach. My balls were in the perfect position to be licked and sucked, which she immediately did. First one, then the other, then both. She took my cock and started throating it as best she could and that pressure set me off. I mumbled I was cumming and she stroked me wildly until I gave one final groan and released loads of hot cum into her mouth. She swallowed, opening her mouth again and revealing no cum. "That was so delicious; I am so staying over more often." She exclaimed before sucking the last of my cum out and licking her lips seductively.

We never thought to look up, but when we did we completely forgot about the other girls. Someone turned the light on and I saw Leslie laying on my futon, and the rest of the girls poking their heads through the door, all with the hungry, lustful gaze that Diane had. Thankfully I didn't see Bailey at my door so my guilt level dropped. Someone turned the light back off and I could tell this was going to be a very long night.

She unzipped my pants and pulled them down, and my cock slapped against her face. We couldn't help but laugh, but before I knew it, she was stroking my hard on with both her hands.

yozi

nubile newbie

I've only been sexually active for about a year now. My first cock was on my nineteenth birthday and I've only had a couple more since then. I find it amazing that my touching or licking it can make a wet noodle into a hard rocket. Then I can coax out some wet, slimy splooge just by sucking it. Amazing, these things called cocks!
